## DOMESTIC ABUSE INTENSIVE TRAINING AND WORKSHOPS

Length: 4 hours - Multi-Day

Harbor House trainings offer extensive information about domestic abuse, resources and prevention. Participants will engage in discussions to address the issue and explore options to appropriately respond to domestic violence as an individual, organization and community. Trainings require a minimum of 25 participants. Topics covered can be tailored to the group.

Fee: Contact our Community Education Department for details at: [training@harborhousefl.com](mailto:training@harborhousefl.com).

Harbor House of Central Florida offers the only evidence based trainings, where 100% of any training fees collected go directly to support the over 10,000 survivors of domestic abuse that our organization helps each year. Any amount you can pay toward these services are gratefully accepted and help to ensure our continued advancement of our mission.
